HUMANITARIAN AND MILITARY ASSISTANCE (2022-2023).

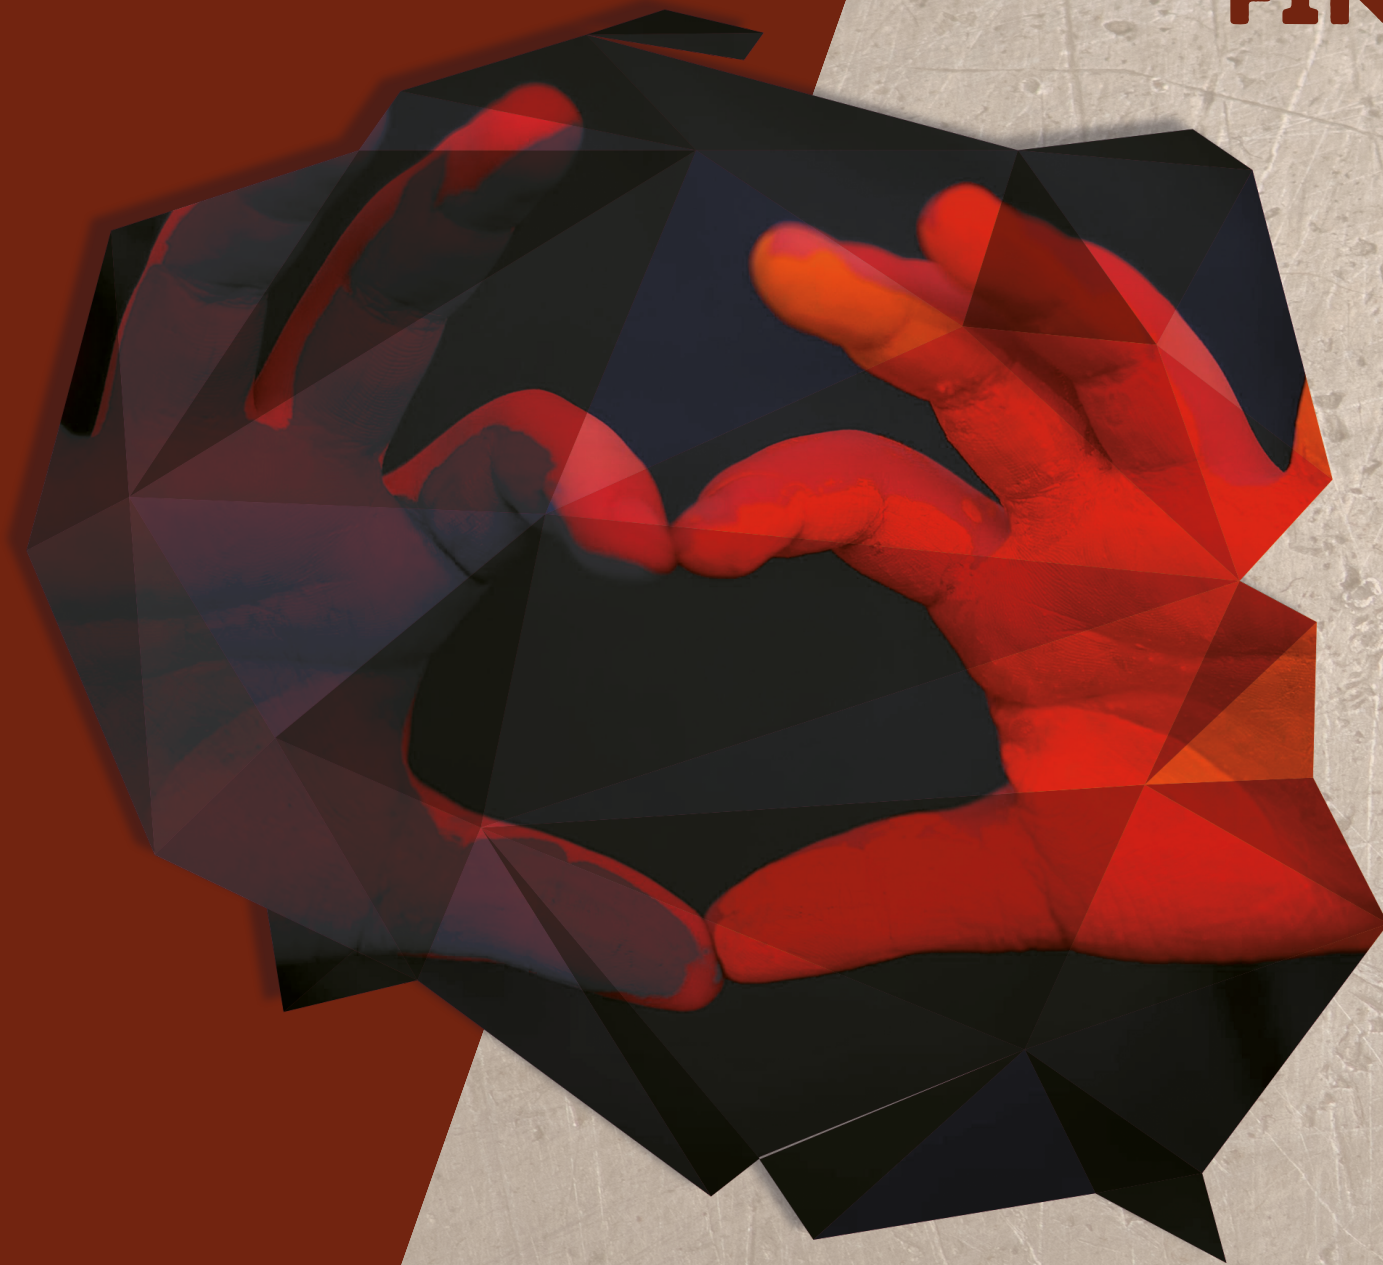

- **Military aid:** Poland has provided equipment worth €2.4 billion, including 300 tanks (29.2% of Poland's resources in this category), 54 howitzers (28.7% of resources), 40 infantry fighting vehicles (2.5% of resources) and 40 armored vehicles (1.9% of resources).
- **Total military and humanitarian assistance:** By January 2023, it amounted to 3.56 billion euros (about 17 billion zlotys) from Poland's central budget, the Ukraine Aid Fund, local governments, and military resources.
- **Contribution to GDP:** This total amount is a significant part of Poland's GDP, placing Poland at the top of European countries in terms of percentage of aid to GDP.

HUMANITARIAN AID (2022)

- **Aid amount:** Poland's humanitarian aid to Ukraine in 2022 reached €8.36 billion (about 1.5% of Poland's GDP), putting Poland at the top of European donor countries for Ukraine.
- **Distribution of spending:** Aid included €6.2 billion for housing and direct financial assistance, €1.5 billion for education, and €664 million for health care.
- **Refugees in Poland:** By the end of November 2022, Poland was home to more than 1.52 million refugees from Ukraine, the highest number among European countries.

FINANCIAL AND SOCIAL SUPPORT

- **Support for refugees:** 828 million zloty has been prepared for 2023 for medical treatment and other benefits for Ukrainians.
- **Aid collected by foundations:** Caritas Poland has raised PLN 597 million to help Ukraine.

SUPPORT FOR UKRAINIAN COMPANIES

3,000 Polish companies have already signed up for the "Reconstruction of Ukraine" program to support Ukrainian businesses

MARCIN CHRUŚCIEL

"Supporting Ukraine is in Poland's strategic interest."

OLEKSANDR MEREZHKO:

**"Ukrainians see Poland and
Poles as their closest allies
and friends."**

DMYTRO NATALUKHA

"In the Kherson region, the Polish language was heard among the soldiers and volunteers."

ANTON GERASHCHENKO

"One of the first and most significant
significant gestures of Poland's
support for Ukraine was the speech
of President Andrzej Duda"

OLEKSIY GONCHARENKO

"Poland, through its actions, helps explain to other members of the European Union and NATO the gravity of the situation."

ADAM EBERHARDT

"Poland's role in the first phase of the war was to break down those mental barriers in the minds of European decision-makers who were afraid of Russia, afraid of an active policy of defending Europe's freedom."

NATALIA ZAKHAROVA

"A shared past is the foundation for today's solidarity and cooperation."

VLADYSLAV STEMKOVSKYI

"The devastation of the war, while devastating, can be a starting point for the reconstruction of the eastern part of Ukraine."

BOGUSŁAWA RUDECKA

"Support should be provided not only for altruistic reasons, but also with clear expectations of mutual benefit and cooperation."

JADWIGA EMILEWICZ

"Support for Ukraine in its struggle for sovereignty and democracy, which is a key element in the quest for stability in the region."
