YOUTH EXCHANGE

infopack

Code, Connect, Conserve: AI Skills for Youth

1. Quick Facts

Participants: 18 young people (18-30) + 3 leaders

Working language: English

Theme: Using AI tools to boost project management & climate action

Funding: 100% Erasmus+ (travel, accommodation, activities)

Emergency contact (24h): +374 931 122 44 Mushegh Ghalachyan

Coordinator: Grzegorz Kruczek · erasmus@neweurope.pl

2. Project Goals & Erasmus+ Priorities

1. Equip youth workers with practical AI skills (Bitrix, Abakus, ChatGPT, Google Gemini, Cloud) → Digital Transformation priority.

2. Equip youth workers with practical AI skills (Bitrix, Abakus, ChatGPT, Google Gemini, Cloud) → Digital Transformation priority.

3. Design small "green-tech" initiatives that cut CO_2 in local communities → Sustainability & Environmental goals.

3. Expected Learning Outcomes (for Youthpass)

- **Digital competence: automate tasks with AI project-management suites.**
- **Multilingual communication: work in English + practise Armenian/Polish phrases.**
- **Cultural awareness: understand Caucasus heritage & EU values.**
- **Entrepreneurship: co-create a mini-campaign on eco-footprint reduction.**

4. Daily Timetable (overview)
1-8 August

| Day	Morning	Afternoon	Evening
Fri	Arrivals · Airport group pick-up	Ice-breakers & venue tour	Intercultural evening: "Tastes of Europe"
Sat	Intro to Erasmus+ & Youthpass	Workshop: Bitrix sprint boards	Yerevan city-hunt challenge
Sun	Lab: Abakus & ChatGPT for task automation	Group work: blueprint local eco-projects	Reflection circle
Mon	Field visit: TUMO Labs (digital creativity)	Panel: Climate tech in Armenia	Movie night "AI for Good"
Tue	Lab: Google Gemini & Cloud dashboards	Green hackathon – prototype phase	Pool & karaoke
Wed	Lab: Abakus & ChatGPT for task automation	Group work: blueprint local eco-projects	Reflection circle
Thu	Field visit: TUMO Labs (digital creativity)	Panel: Climate tech in Armenia	Movie night "AI for Good"
Fri	Lab: Google Gemini & Cloud dashboards	Green hackathon – prototype phase	Pool & karaoke

5. Pre-Departure Tasks (deadline 25 July 2025)

1. Finish the 20-min "Erasmus+ Youth Essentials" e-learning module.

2. Fill in the encrypted learning-journal template (link in welcome e-mail).

3. Prepare a 5-minute national-evening segment (snack, song, dance or quiz).

4. Create accounts in Bitrix24 (free plan) & Google Gemini.
 Why? Completing these tasks saves workshop time, aligns with digital-skills objectives, and proves preparation phase for the NA.

6. What to Pack

1. Passport / ID (valid 6 months).

2. Laptop or tablet + charger (essential for AI labs).

3. Re-usable bottle & tote bag (green rule = no single-use).

4. Lightweight summer clothes (35°C) + modest outfit for monastery visit.

5. National snacks & small flag for intercultural night.

6. Travel receipts & boarding passes (for reimbursement).
Why? Ensures comfort, inclusion and audit-proof finance docs.

7. Travel & Pick-Up

Please arrive at Zvartnots International Airport (EVN) on August 1st before 18:00. You'll find our team holding an NEF banner in the arrivals hall for a free group pick-up. Don't forget to complete the CO_2 log sheet by noting your mode of transport and the kilometers traveled for the Erasmus+ green indicators.

8. Accommodation & Meals

Please note that you'll be staying at the Capital Hotel (Aygedzor 53 B) in twin or triple ensuite rooms with Wi-Fi and a pool; buffet breakfast and dinner are served on-site and lunch is catered, and kindly submit your dietary requirements form by July 25th.

9. Financial Rules

Please note that the EU travel grant covers up to €275 for PL – AM and €180 for GE – AM participants based on distance bands; be sure to keep all your tickets and receipts and submit the originals on Day 6, and reimbursement will be made via bank transfer within 45 days of receiving your complete documentation.

10. Health & Safety

Organisers provide basic accident insurance—please remember to bring your EHIC or national health card; for any safeguarding concerns, contact our officer Mushegh Ghalachyan at +374 931 122 44 (available 24 h); and in case of local emergencies dial 112.

11. Code of Conduct

Zero tolerance for discrimination or harassment · moderate alcohol (no spirits) · respect quiet hours 23:00-07:00 · GDPR: photos shared only with consent form.

12. Digital Toolkit

Tool	Purpose	Access
Bitrix24	Sprint boards, tasks	Create free account; join project space "YEXTC-02"
Abakus	Intro to Erasmus+ & Youthpass	Workshop: Bitrix sprint boards
ChatGPT	Ideation, text drafting	Use your OpenAI account (free tier OK)
Google Gemini	Lab: Abakus & ChatGPT for task automation	Group work: blueprint local eco-projects
Cloud	Field visit: TUMO Labs (digital creativity)	Panel: Climate tech in Armenia

13. Communication Channels

Join our WhatsApp group at
https://chat.whatsapp.com/E9jCZYo7Yi857CJukSFIFN and, for
any additional support, email us at helpdesk@nef.org.pl.

14. Local Tips

- **Currency = Armenian Dram (AMD).**
- **Tap water safe; carry bottle.**
- **Basic Armenian phrases: Shnorhakalutyun (thank you), Barev (hello).**
- **Respectful dress required in churches/monasteries (shoulders & knees covered).**

15. Impact & Follow-Up

Each national team commits to running a local workshop on AI & climate within 60 days, posting at least one social-media story tagging #ErasmusPlus and #YEXTC02, and completing the online Youthpass reflection by August 15.
