

CARD 2 – Create a Workshop Plan with AI

2

You're tasked with organizing an interactive 2-hour workshop for students (aged 16–24). The workshop should be engaging, educational, and practical, using AI tools to streamline planning, communication, and task management. This workshop needs to align with Erasmus priorities, such as youth empowerment, digital skills, inclusivity, and intercultural learning.

workshop Title: "Stay smart Online: AI for Safety and privacy."

10:00 – 10:15 – Icebreaker and Introduction. (what is AI)

10:15 – 10:30 – AI and how it affects privacy

10:30 – 10:40 – Break (eat snack, drink coffee or smth)

10:40 – 11:20 – Group station activities (spot scams, (chat gpt)
2) Create safety posters with Canva
3) explore digital footprint)

11:20 – 11:30 – Break

11:30 – 11:50 – Group challenge: Apply what you learned

11:50 – 12:00 – presentation and reflection – Quick group presentations "What did you learn?" and "What will you change online?"
