

CARD 2 – Create a Workshop Plan with AI

You're tasked with organizing an interactive 2-hour workshop for students (aged 16–24). The workshop should be engaging, educational, and practical, using AI tools to streamline planning, communication, and task management. This workshop needs to align with Erasmus priorities, such as youth empowerment, digital skills, inclusivity, and intercultural learning.

Format – In person or hybrid
tools – projector, internet access, laptops

Objectives

1. empower youth to use AI tools for social change
2. introduce accessible AI platforms (chatgpt, canva, DALL·E)
3. foster intercultural collaboration through group work

Agenda

0:00 – 0:15 – Ice breaker & intro
activity – speed dating
goal – build trust

0:15 – 0:35 – AI for impact – short demo of how to use chatGPT
for slogans/texts, canva for posters
DALL·E – for images
